

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

GSI TECHNOLOGY, INC., a Delaware
Corporation

Plaintiff,

v.

UNITED MEMORIES, INC., a Colorado
Corporation,

Defendant.

Case No.: C 13-1081 PSG

**AMENDED ORDER RE REMOVAL
OF DOCKET NO 93**

(Re: Docket No. 93)

The court granted United Memories, Inc.'s ("UMI") request to replace UMI's opposition to the motion for a preliminary injunction.¹ Although the court's order originally directed the Clerk to remove the incorrectly-filed document and replace it with another document, Civil Local Rule 5-1 requires the party to refile the correct document as a new docket entry before the court will remove the incorrectly-filed document. Accordingly, UMI is HEREBY ORDERED to refile the corrected opposition and accompanying declarations as a new docket entry.

IT IS SO ORDERED.

Dated: June 25, 2013

PAUL S. GREWAL
United States Magistrate Judge
